

(VIRTUAL) BOWDOIN PUBLIC SERVICE IN WASHINGTON 2021

FOR SOPHOMORES:

A virtual exploration and immersion program for sophomores interested in **public policy and government function**, including "Look Inside" visits to federal agencies and professional development with young alumni working in public service.

Students from **all academic and life backgrounds** are encouraged to apply. No coursework or prior policy experience is required.

This program includes a seven-week seminar series from January to March and a two-day Deep Dive in March.
